

Metronet::checkConsistent

```
graph LR; A[Metronet::checkConsistent] --> B[Metronet::properlyInitialised]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Metronet::checkConsistent'. The right box is white and contains the text 'Metronet::properlyInitialised'. A dark blue arrow points from the right side of the gray box to the left side of the white box, indicating a logical implication or a state transition.

Metronet::properlyInitialised
