

Metronet::addSpoor

```
graph LR; A[Metronet::addSpoor] --> B[Metronet::properlyInitialised]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'Metronet::addSpoor'. The right box is white with a black border and contains the text 'Metronet::properlyInitialised'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

Metronet::properlyInitialised
